

## Keep Your Nerve

It is nerve energy that runs the organs of your body. The storage battery is the nerve cells in the brain and spinal cord, and from this battery nerve force is sent out through the system of nerves. To keep the body healthy you must have plenty of nerve force; if you have not, the organs work imperfectly, the circulation is sluggish, digestion bad, appetite poor, kidneys inactive, and aches, pains and misery are the penalty.

You can keep the system strong with Dr. Miles' Nerve. It assists in generating nerve energy; it strengthens the nerves and makes the whole system strong and vigorous.

"I take pleasure in recommending Dr. Miles' Nerve to those suffering from nervous prostration, neuritis, melancholia. After several months suffering from above diseases, I tried this medicine and found immediate relief. It soothes and strengthens the nerves, chases away the gloomy and depressing thoughts and gives the sufferer renewed strength and hope. It is a superb nerve restorer."

30 DAYS FOR DILLOWAY.

Sent to Rutland after a protracted trial.

George Dilloway, the little Englishman, who has for years been employed by various business concerns in the city as a sort of all work, was Friday sentenced to serve 30 days in the House of Correction for intoxication.

Dilloway is a first-class man cleaning floors and windows when he is sober but when he gets drunk things move slowly and he has been on a job for several weeks. He was arrested several days before he was in such a physical condition that he could not be tried. In court Friday he was in a daze and he plainly showed the effects of his drink.

ALMOST A CENTENARIAN.

Death of Mrs. Elsie Guyette at the Advanced Age of 98 Years.

Mrs. Elsie Guyette, wife of the late Joseph Guyette, died Friday morning at her late home, 49 Front street, at the advanced age of 98 years. She had been confined to the bed only three weeks and death was due to general debility. She was a native of Quebec, where she married. About 75 years ago she came to Colchester, where she remained until the death of Mr. Guyette. Later she resided in Winoski and had lived in this city about two years. She was remarkably bright for an aged lady and loved to tell of occurrences that happened years ago.

She was survived by ten children, Thomas, William and Charles, and Mrs. Moses Rivers and Mrs. Bruno Duchesne of this city, Mrs. Edward Young of Colchester, Mrs. Frank Bunker of Morrisville, Albert of Waterville, Mrs. Charles Myers of Winoski and Arthur of Morrisville.

The funeral was held Monday morning at ten o'clock from St. Joseph's church, with interment in Mt. Calvary cemetery.

LIQUOR SELLERS IN COURT.

One Sent to Rutland, the Other Paid a Fine.

Rosella White, whose place in the north part of the city was searched months ago with the resulting seizure of a quantity of liquor, was Friday sentenced by Judge Miles to serve not less than six and not more than eight months in the House of Correction.

The case against this woman was called up in court some time ago but neither woman nor her husband appeared. The husband got busy when the case was called and Rosella was arrested. Since that time she has been in custody.

T. P. Daley was Friday fined \$30 for selling liquor, a plea of guilty having been entered for him. The case against Daley grew out of a disclosure on his Battery street drug store. He paid the fine.

DR. MERROW ARRESTED.

Charged with Contempt of Court in Not Paying Alimony.

Dr. J. W. Merrow was arrested Friday by Deputy Sheriff F. E. Lord on a charge of contempt of court. He was taken before Judge Miles who fixed him at \$50. A. A. Bullard, appearing surety.

The arrest grew out of Dr. Merrow's alleged failure to pay alimony decreed by the court to Mrs. Merrow. By the decree Dr. Merrow was to pay his wife \$12 per week pending the final disposition of the divorce matters. It is claimed by Mrs. Merrow that she has had difficulty in collecting the money and that Dr. Merrow is now \$12 in arrears.

Dr. Merrow claims that he has paid the alimony promptly heretofore and that he would have paid when the present sum became due but for the fact that he was short of funds then. He claims he is willing to pay as soon as he gets the money.

## Whose Say-so is Best?

With nearly all medicines put up for sale through druggists, one has to take the maker's say-so for the value of the medicine. Of course, such testimony is not that of a disinterested party and accordingly is not to be given the same credit as if written from disinterested motives. Dr. Pierce's medicines, however, form a single and therefore striking exception to this rule. Their claims to the confidence of invalids does not rest solely upon their maker's say-so or praise. Their ingredients are matters of public knowledge, being printed on each separate bottle wrapper. Thus invalid sufferers are taken into Dr. Pierce's full confidence. Scores of leading medical men have written enough to fill volumes in praise of the curative value of the several ingredients entering into these well-known medicines.

Among these men are such medical authorities as Prof. Finley Ellingwood, M. D., of Boston Medical College, Chicago; Prof. Dr. J. C. Smith, M. D., of Cincinnati, Ohio; Prof. John King, M. D., of Cincinnati, Ohio; Dr. Geo. C. Davis, M. D., of Cincinnati, Ohio; and scores of others equally eminent.

Dr. Pierce's medicine cures the worst cases of female weakness, prostration, and general debility, and restores the system to its normal condition. It is a powerful and reliable medicine, and its use is recommended by all the leading medical authorities.

Sick women are invited to consult Dr. Pierce, by letter, free. All correspondence is given the same prompt and careful attention. Dr. Pierce's medicine is sold by all druggists and is a sure cure for all the above named ailments.
